Unit description

PRJ6002 Strategic Portfolio Management addresses the selection and prioritisation of multiple programs and projects which have been grouped to support an organisation's strategic portfolio. In this unit, students will learn how to implement a Portfolio Management Framework along with the issues to be considered in selecting an effective organisation portfolio and how to balance many conflicting issues facing Program Managers to obtain desired outcomes.

Unit Learning Outcomes

On successful completion of this unit, students will be able to:

- ULO1** Explain principles of project, program and portfolio management and their relationship to organisational change and business strategy.
- ULO2** Select and prioritise projects and programs using portfolio analysis techniques to achieve strategic objectives.
- ULO3** Critically evaluate the suitability of an organisational portfolio and recommend improvements.
- ULO4** Demonstrate high levels of technical, leadership, and strategic capabilities.
