

## **SBM2103 Financial Management**

### **Unit description**

SBM2103 Financial Management focuses on accounting and financial management, and develops a sound understanding of the relevant principles, techniques and standards.

This unit is a core unit in the GradCertBM, GradDipBM and MBA programs.

### **Learning outcomes**

On successful completion of this unit, students will be able to:

- [ULO1] Demonstrate an understanding of financial management, markets and the roles of finance managers.
- [ULO2] Calculate and interpret various financial ratios to assess a firm's financial health.
- [ULO3] Apply various capital budgeting models to assess the projects.
- [ULO4] Demonstrate an understanding of the role of interest rates in financial management.
- [ULO5] Calculate and interpret various leverages.
- [ULO6] Explain short-term vs. long-term financing and demonstrate how loan term affects effective interest rates.
