

SBM2501 Business Law and Due Diligence

Unit description

SBM2501 Business Law and Due Diligence examines the legal, business and ethical environment in which local and international contemporary business operate. It equips students with knowledge of the basic business and legal principles pertinent to both Australian and international businesses. The purpose of this unit is to cover the fundamental legal and statutory requirements applicable to all organisations in general terms. The contextualisation of the laws and regulations will be achieved by student teams working on their case organisations in specified jurisdictions. This unit is an elective unit in the MBPM program.

Learning outcomes

On successful completion of this unit, students will be able to:

- [ULO1] Understand business law.
- [ULO2] Categorise business law.
- [ULO3] Apply laws in business.
- [ULO4] Protect assets.
- [ULO5] Apply statutory requirements.
- [ULO6] Manage administrative change.
