**Students should attend all Orientation sessions to ensure that they do not miss essential information.** For students who enrol after Orientation, recordings of the Orientation sessions will be available via the Orientation module on Canvas (APIC's Online Learning System) from week 2 of the study period.

The above Enrolment, Orientation sessions are delivered in Australian Eastern Standard Time (AEST) and will be delivered online via Zoom webinars. If a student has any questions regarding their enrolment, they should first check the welcome pack they have received via email. If they still have questions, they should contact APIC Student Services:
