

**Credit Transfer Agreement between ECA College
and
Asia Pacific International College
Valid from **28/07/2021 until 28/07/2023****

Credit Transfer Agreement (Agreement) concerning students entering the APIC Master of Project Management and Business (MPMB) or the APIC Master of Business Administration (MBA) from the following ECA College courses:

BSB80120 Graduate Diploma of Management (Learning)
MEM80112 Graduate Diploma of Engineering

APIC undertakes to award block credit transfer to graduates of the program specified in Appendix A who have successfully completed the specified units.

For the above ECA College courses and their units listed in Appendix A, APIC grants the following Credits.

- A maximum of 6 (six) credits can be granted for the BSB80120 Graduate Diploma of Management (Learning) into the Master of Project Management and Business. That is 2 (two) specified credits and 4 (four) unspecified credits.
- A Maximum of 5 (five) credits can be granted for the MEM80112 Graduate Diploma of Engineering into the MPMB. That is 1 (one) specified credits and 4 (four) unspecified credits.
- A Maximum of 6 (six) credits can be granted for the BSB80120 Graduate Diploma of Management (Learning) into the Master of Business Administration. That is 2 (two) specified credits and 4 (four) unspecified credits.
-

The following Table 1, identifies the specified credit which can be granted when completing a specific unit within the two ECA College courses listed in Appendix A.

Specified credits are only granted for core units. An unspecified credit may be granted for any unit not listed in Table 1.

The maximum number of unspecified credits is four.

Table 1.
Award of Specified Credit into the Master of Project Management and Business

| ECA College Course | Credit towards Master of Project Management and Business (MPMB) CRICOS: 077591B |
|--|--|
| BSB80120 Graduate Diploma of Management (Learning) | PRJ5002 Enterprise and Resource Planning. PRJ5106 Research Methodology and Data Analysis, 4 unspecified credits. |
| MEM80112 Graduate Diploma of Engineering | PRJ5001 Project Management Profession. 4 unspecified credits. |

Table 2.
Award of Specified Credit into the Master of Business Administration

| ECA College Course | Credit towards Master of Business and Administration (MBA) CRICOS: 107332B |
|--|---|
| BSB80120 Graduate Diploma of Management (Learning) | PRJ5106 Research Methodology and Data Analysis, and BUS5004 Leadership and Influence 4 unspecified credits. |

The conditions of this Agreement are as follows:

1. Credit cannot be granted for courses or units completed more than five years before the date of commencing the APIC award course.
2. APIC reserves the right to specify the course components required for course completion regarding both course content and core graduate attributes. APIC also reserves the right to amend, alter, update, or discontinue any aspect of the course components upon giving reasonable notice to ECA College.
3. This Agreement will apply from **28/07/2021 until 28/07/2023** unless it is otherwise updated or replaced with a new Agreement. Either party may terminate this Agreement during the term upon providing written notice of six months to the other party. If the Agreement is terminated by either party, students who have commenced their study at APIC before notification of termination of this Agreement will be permitted to complete the award in which they are enrolled.
4. This Agreement is subject to students completing the units specified in the tables in Appendix A.
5. If there are significant changes to either course or the status of ECA College, then the college initiating the change (ECA College or APIC) will undertake to commence a review of this Agreement.

6. ECA College may display the APIC logo and information pertaining to this Agreement on its web page and in official marketing material during the period of the Agreement following notification to APIC and approval from APIC.

Appendix A

The pathways are based on the following ECA College course structures (Table 1-Table 3).

Table 1. Graduate Diploma of Management (Learning) (BSB80120)

| | |
|------------------|---|
| BSBCRT611 | Apply critical thinking for complex problem solving |
| BSBHRM613 | Contribute to the development of learning and development strategies |
| BSBLDR811 | Lead strategic transformation |
| BSBLDR801 | Lead innovative thinking and practice |
| TAELED803 | Implement improved learning practice |
| BSBLDR601 | Lead and manage organizational change |
| BSBINS603 | Initiate and lead applied research |
| BSBPMG816 | Manage portfolio resources |

Table 2. Graduate Diploma of Engineering (MEM80112)

| | |
|-------------------|---|
| MEM234002A | Integrate engineering technologies |
| MEM234035A | Maintain and apply technical and engineering skills |
| MSMENV672 | Develop workplace policy and procedures for environmental sustainability |
| MEM234001A | Plan and manage engineering-related projects or operations |
| MEM234026A | Develop and coordinate engineering-related contingency plans |
| MEM234028A | Produce and manage technical documentation |
| MEM234021A | Apply statistics to technology problems |
| MSS407015A | Build relationships between teams in an operations environment |
| BSBLED805 | Plan and implement a mentoring program |
| MEM23123A | Evaluate manufacturing processes |
