

Fee Payment Options

Credit Card and Debit Card

Students can now make payment via debit and credit card and won't be charged a 1.5% surcharge. When making payment via credit or debit card your Student Portal is automatically updated. APIC accepts Visa and Mastercard payments, please note that Amex cards are not accepted.

Login to your Student Portal **using a computer, you need to allow a pop-up window to undertake the transaction**, the pop-up doesn't appear when a mobile phone or ipad is used.

1. Go to the "Payment" Tab in the Student Portal
2. Click on the "**Pay Now**" link and allow the pop-up window
3. Check that your details are correct (they will be automatically filled in)
4. Enter the amount you would like to pay
5. Enter your Credit Card details
6. Click on the "Pay Now" button to complete the transaction

Bank Deposit

If you want to pay your tuition fees electronically via bank transfer, you can do so by transferring money to APIC's bank account. **Transaction Reference or Description: Please use your Student Id Number as the transaction reference or description.**
