Application Process

To apply for funding the student must:

1. Read the information about the application process.
2. Fill in the form with relevant details and attach proof that the paper has been accepted for presentation at the conference and other requested attachments.
3. Submit the form through the website
4. Alternatively, if you are unable to submit the form through the website, download an editable PDF copy of the form and send the completed form with relevant attachments to research@apicollege.edu.au
