

2023 Yearly Planner

- **Master of Project Management and Business**
- **Graduate Diploma of Project Management**
- **Graduate Certificate in Project Management**
- **Master of Business Administration**
- **Graduate Diploma of Business Management**
- **Graduate Certificate in Business Management**

Please note:

This planner has been developed to assist students to plan their year's study. Not all units are offered in all trimesters or in all delivery modes (on campus; online). APIC reserves the right to cancel offerings if enrolments do not meet minimum class sizes.

Instructions:

1. Access your course structure on the [website](#); (click on your course then scroll down and click on 'structure').
2. Tick off all units you have passed and look at the next units listed in the structure (generally you need to enrol in 4 units per trimester unless you have approval to take leave).
3. Next, check on the list below in which trimester they are offered and enrol in those at the first possible opportunity. Take note of units that have pre-requisites and ensure you complete these prerequisites first and as soon as possible.
4. If there are specific electives you would like to choose, plan ahead and check when they are offered so you do not miss out.
5. For any questions with enrolment, please contact StudentServices.Syd@apicollege.edu.au or StudentServices.Melb@apicollege.edu.au

Unit Code	Unit Name	Prerequisite	Trimester 2/2022 availability	Trimester 3/2022 availability	Trimester 1/2023 availability
